

Monitoring & Evaluation Group Work

You are required to develop performance indicators for two projects each designed to achieve an objective that is relevant for your organisation.

The indicators should cover at least the following: Input, Output, Workload, Efficiency, Effectiveness and Impact. All indicators should be S.M.A.R.T.

You may find it useful to use the layout below:

Objective	Objective 1	Objective 2
Project	Project 1	Project 2
Input		
Output		
Workload		
Efficiency		
Effectiveness		
Impact
