1.0	<p>Opening</p> <p>The team explained that the objective of the meeting was to discuss on the need to organize the 2nd IGR conference in conjunction with the Central Bank of Nigeria which will have as its key focus/theme financial inclusion and payment system strategies.</p>	
2.0	<p>Matters Arising</p> <p>From the above objective, key questions concerning the conference sprung up:</p> <ol style="list-style-type: none"> 1. The reason why the CBN has not been incorporated in the plan. 2. The connection between financial inclusion and IGR. 3. The reason why e-payment stakeholders were not incorporated in the proposal. <p>In reaction to the issues raised, the team explained that:</p> <ol style="list-style-type: none"> 1. The non incorporation of the CBN at this stage is because they intend to get the proposal ready before incorporating the CBN. 2. The nexus between financial inclusion and IGR was a way of bringing in the involvement of the CBN in the conference. The reason was also advanced by the fact that a reformed IGR system through increased technology via e-payments will ensure a closedown of leakages, thereby increasing the IGR. 	
3.0	<p>Key Outcomes</p> <ol style="list-style-type: none"> 1. It was agreed that more time be given to allow for a better understanding of the proposal. 	
4.0	<p>Next Steps</p> <ol style="list-style-type: none"> 1. Another meeting to be scheduled for next week to enable the better understanding of the proposal. 	
5.0	<p>Closing</p> <p>The meeting ended at 1.30pm</p>
