GROUPE DE LA BANQUE AFRICAINE
DE DEVELOPPEMENT
AFRICAN DEVELOPMENT BANK GROUP

What is the UMDF

AfDB trust fund to support Bank engagement with & in cities

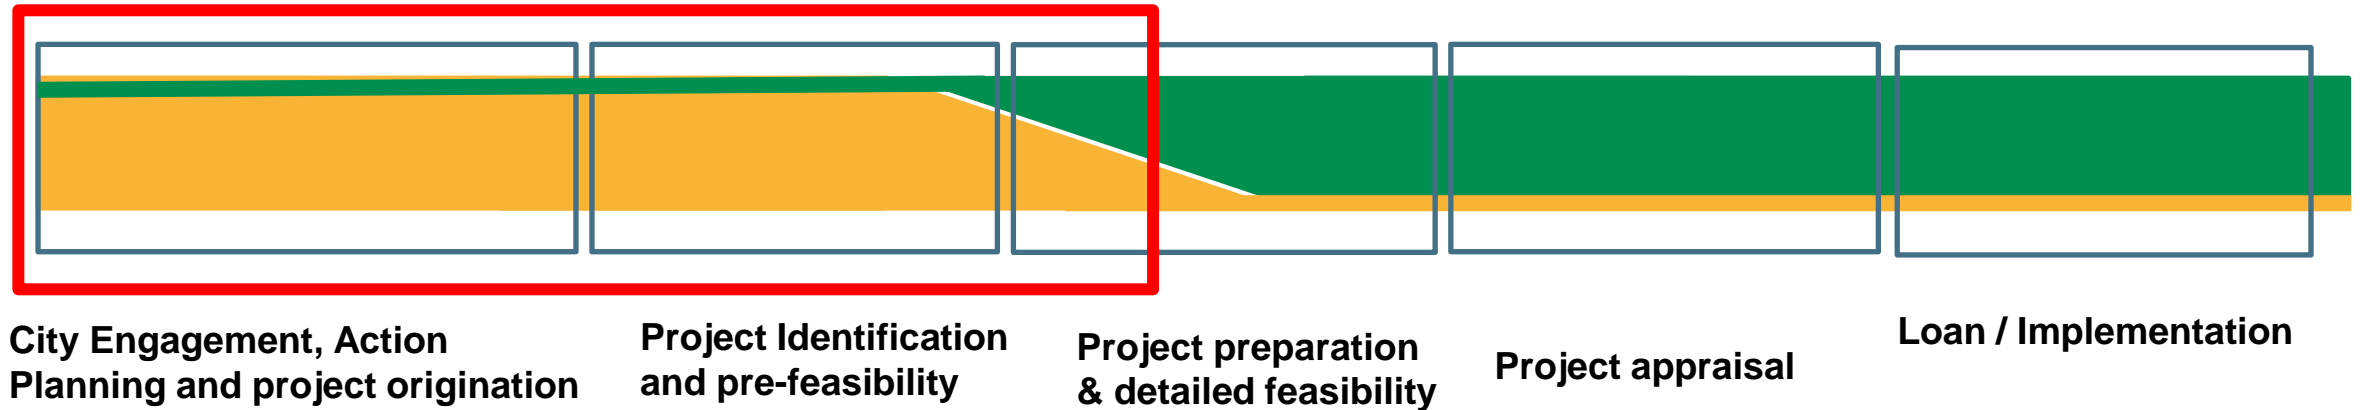

UMDF Focus

What we support

UMDF (Upstream)

ADB / ADF (Downstream)

Process to access the UMDF

How do we support African Cities

Improving Urban Planning

- Design, updating of integrated **urban plans** and/or sector plans
- Linking urban **planning with investments**
- **Data-informed and participatory** Action Planning.

Good Governance

- Improve **fiscal and administrative capacity**
- **Building creditworthiness**, e.g. systems of internal generated funds (revenue, fees, taxes,)
- Preparing cities to **access financing** from AfDB and other sources.

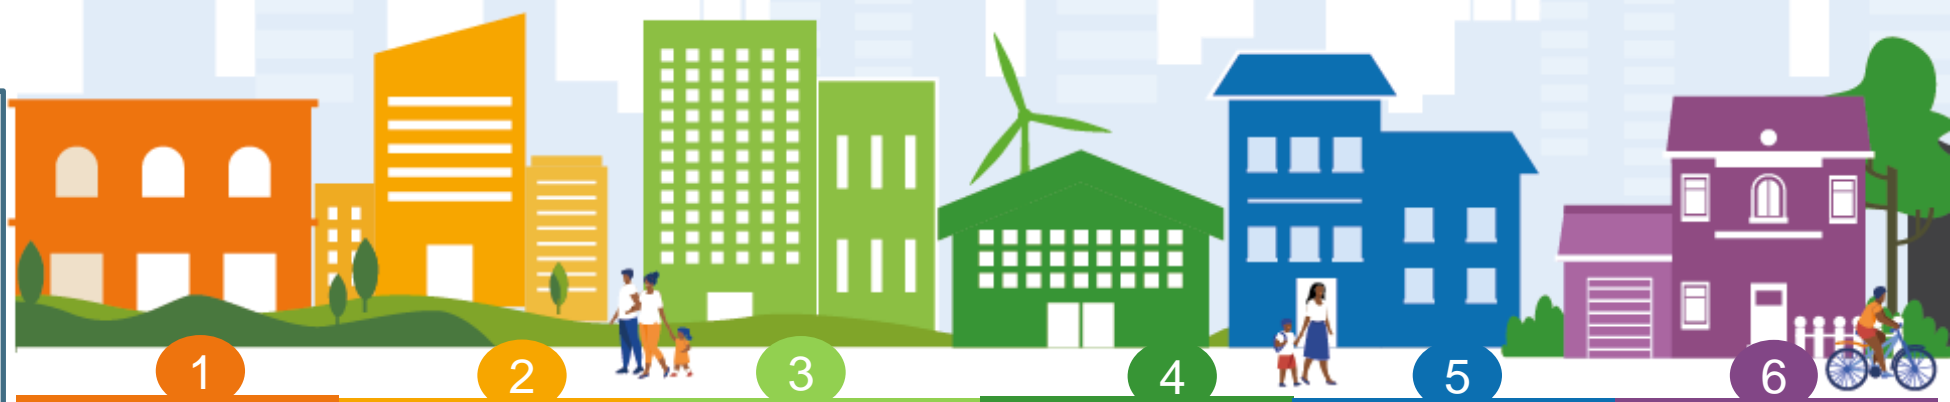

Investment Project Preparation

- Project **origination and definition** (from city plans and strategies)
- **Maturing Investment** Projects through feasibility stage, ESIA etc
- Support with **financial structuring** for AfDB.

AfDB / UMDf Cities Program

High impact
program in 30-
40 **reform & investment**
focused cities
across Africa

2-year
engagement
process
