MEMORANDUM OF UNDERSTANDING

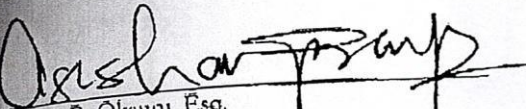

BETWEEN
THE INTRASTATE CONFLICT PROGRAM
BELFER CENTER
HARVARD KENNEDY SCHOOL
AND
THE NIGERIA GOVERNORS' FORUM

SUBJECT: Capacity Building Workshops for Nigeria Governors' Forum

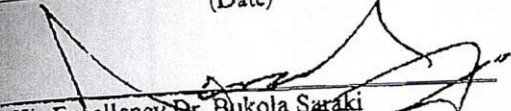

1. Purpose. The purpose of the Capacity Building Workshop for the Nigeria Governors' Forum will be to train Nigerian governors, Forum staff, and local leaders in the areas of:
 - leadership
 - good governance
 - education policy
 - economic development
 - additional subjects TBA
2. Scope. The Harvard Kennedy School Program on Intrastate Conflict will hold three workshops for the Forum and governors, the first of which will take place in October, 2009, and the second two before June 2010. Further workshops will occur in 2010-2011 and beyond. The Program on Intrastate Conflict will provide experts in the areas listed above to teach at each of the three workshops.
3. Logistics. Both the Program on Intrastate Conflict and the Secretariat at the Nigeria Governors' Forum will coordinate the logistics of the workshops including transportation of the delegates, workshop dates, hotel accommodations, and meals. Professor Rotberg, with input from the Nigeria Governors' Forum Secretariat, will formulate appropriate curricula for each of the workshops.

JR

4 Financial Obligations. The Nigeria Governors' Forum is responsible for expenses incurred for these workshops, including transportation, accommodations, meals, honoraria to instructors, and any other costs associated with the workshops held at the Harvard Kennedy School of Government. The Program on Intrastate Conflict will prepare a budget, to be discussed with the Forum. All arrangements outlined in this memorandum are subject to agreed upon financial stipulations.
