**World Bank Group's Nigeria Country Partnership Framework (CPF)
Consultation with State Governors.**

- The Nigeria CPF will define the Bank's engagement in Nigeria for the period **July 2020 to June 2024**.
- **60%** of the Bank's total portfolio commitments are domiciled at the state-level in the form of concessional financing to states on-lent or on-grant by the Federal Government.
- Consultation will help set out priority areas of support in terms of financing, analytical work and technical assistance to States.
- It will also be an opportunity to discuss key development challenges, highlight priority engagement areas for States and inform the Bank of how best to engage with States.
- The development of the new CPF should be prioritised by the States through extensive consultations with the Bank.
