3.0	CHAIRMAN'S BRIEF	
	<p>The Chairman welcomed members to the meeting and updated the Forum on the status of the following:</p> <ul style="list-style-type: none"> • <u>2nd PAYE Disbursement:</u> The Consultants had given assurances that the 2nd disbursements will be made in the following week and the concluded Report will be circulated to members of the Forum as soon as it became available. • <u>Deductions for the Budget Support Facility:</u> N152million had been fixed as the monthly deductions for all States as shown in the Report. He noted that the report also contained details of prior deductions made by the Ministry of Finance on the FAAC. • <u>Seattle Declaration: Immediate Actions Required by Governors:</u> The Chairman met with representatives of the BMGF and Dangote Group to identify how to engage in a further peer review to encourage States in their compliance with the Seattle Declaration. He referred to the NGF meeting with Commissioners of Finance and noted that all necessary actions were being taken on the Seattle Declaration. • <u>Coronavirus outbreak:</u> Members expressed concern over the coronavirus pandemic and its rate of spread. The Forum emphasized the need to ensure border monitoring and to put in place quarantine measures for people returning from affected countries. Members also noted the implication of the virus outbreak on falling oil prices which 	

	<p>has negatively affected allocation to States from FAAC.</p> <ul style="list-style-type: none"> • <u>Review of NEC Agenda:</u> Members reviewed the NEC Agenda. The Governor of Kaduna State suggested that the Forum should at the NEC meeting scheduled for the following day, make a case for the extension of KPMG's mandate to conduct forensic audit, from 2015 to 2019. • <u>Update on PHCOUR and other Health Matters:</u> after members noted at the last meeting that the Basic Health Provision Funds were on lien, the Chairman wrote to the Minister of Health on the need for its implementation. The Chairman requested that being the States' resources, the funds should be disbursed to States who have met the eligibility requirements. After Members suggested that the Forum meet with the appropriate Senate Committee to address the issue of the lien on the BHPF, the Chairman opted to discuss the issue with the Senate Committee. • <u>Update on NEDC Deductions:</u> The Forum was awaiting further directive from the President following their letter to the President. The Chairman noted that the deductions had however been made in January and February to the North East Development Commission. Following concerns by the Governors of Borno and Bauchi States and after lengthy deliberations by members, the Chairman thanked members for their approach to this delicate issue and re-assured his colleagues, particularly the North East Governors that the entire NGF was committed to peace and security in the North East. It was important however to achieve these in line with constitutional provisions and efforts would be made to seek realistic and lawful ways to achieve peace in the Region. • <u>Ownership of the Distribution Companies:</u> The Governor of Kaduna State reported that the Committee was able to establish significant State ownership of the Distribution Companies and that the Report of the Committee would be ready as soon as all information was collated and compiled. He appealed to the members to support the Committee by providing information on the electricity investments undertaken by States between 2013 – 2020. He stated that one of the 	<p>Chairman, NGF/BHPF</p>

6.0	PRESENTATIONS	
	<p><u>Report on the Utilization of Pension Fund</u></p> <ul style="list-style-type: none"> • NEC had set up a Committee headed by the Governor of Kaduna State, to explore ways in which the Government can utilize the N10 Trillion in the Pension Fund Account. The Committee was first tasked with coming up with an immediate project to utilize N2 trillion from the funds and thereafter recommend key projects that can be actualized using the remaining N8 trillion. • The Committee after concluding its report, briefed the Forum on their findings. A video was presented to highlight the intended benefits of the Nigerian Narrow Gauge Railway Project, being one of the key projects recommended by the Committee. They highlighted the benefits of the railway project in enhancing road transport in Nigeria. • The Chairman appreciated the members of the Committee for the efforts put into the assignment. He noted that all Governors were enthusiastic about implementing the recommendations of the report. <p><u>Update on the GRID3 National Project by the Minister of Finance, Budget and National Planning.</u></p> <ul style="list-style-type: none"> • The Minister of Finance, Zainab Ahmed updated the Forum on the progress of the GRID3 National Project. She stated that the project was designed to strengthen geo-spatial national data of the country. • The Vice President had in December 2019 inaugurated the National 	

	<p>Steering Committee (NSC) co-chaired by the Hon. Minister of Budget and National Planning. The NSC was also supported by the National Technical Committee.</p> <ul style="list-style-type: none"> • In seeking cooperation of the Forum to advance the project to different sectors of the country, she urged the Forum to: <ul style="list-style-type: none"> i. Support the Steering Committee which had NGF representation by the Governors of Kwara, Kaduna, Gombe, Edo, Ebonyi and Ekiti States. ii. Nominate the Heads of the States' Geo-spatial Agencies to be members of the Steering Committees. iii. Inaugurate States' Boundary Committees/Geo-spatial Agencies to work together with the National Boundary Committee in the implementation of the Project. <p>The Chairman thanked the Minister and noted that the Committee representing the Forum will ensure States' commitment towards the objectives of the Steering Committee. He mentioned that although States have the Boundary Committees, there may be little resources to run the Agencies.</p> <p>The Minister indicated that contact details of the GRID 3 Project Secretariat will be provided to the NGF Secretariat for ease of contacts and access.</p> <p><u>Planting of 25million Trees by the Minister of Environment</u></p> <ul style="list-style-type: none"> • The Minister of Environment, Dr. Mohammad Mahmood Abubakar thanked the Forum for the opportunity to present to the meeting the need to plant 25million trees to combat the negative effects of the global warming which has metamorphosed into climate change, resulting in ecological problems. • He noted that every time there was a decline in forest, the capacity to absorb carbon was weakened and the easiest way to absorb the carbon produced by climate change was the planting of trees. He reminded the meeting that the President made this pledge at the 2019 Climate Change Forum at the UN General Assembly. • Highlighting the decline in forest cover over the years owing to increased deforestation and lack of rainfall, he noted that it was pertinent to improve Nigeria's forest cover by the planting of trees. He solicited the support of the Governors in releasing lands in their

	<p>States and also funding contributions as well as providing the human capital to help in the planting and maintenance of the trees.</p> <ul style="list-style-type: none"> • The Chairman thanked the Minister and stated the commitment of all Governors in supporting the Project. He however identified that funding may pose a challenge to the States, suggesting the enlisting of the Federal Government in funding the Initiative. • Members also expressed concern over the implementation of the project and suggested adequate utilization of the rainy season for the planting of the trees. The Ministry should also identify the kind of trees that will thrive in the country given peculiar conditions of States. • It was also noted that whilst the Ministry was harnessing the tree planting, other engineering mechanisms should be explored to salvage the impact of the climate change. • On funding, members recommended that the Federal Government Ecological Fund be utilized to fund the project. • On land, it was suggested that States acquire lands and gazette them as forest reserves to maximize protection of the forest. States should have designated forest reserves for the purpose of the tree planting. <p>The Minister thanked the Forum and reiterated his plea to States especially in respect of maintenance of the trees. He also suggested that the States/Forum can also request the Ecological Funds to be given to States for the funding of the project.</p> <p><u>Progress on the Subnational Business Climate Reforms by the Enabling Business Environment Secretariat (EBES)</u></p> <ul style="list-style-type: none"> • The Special Adviser to the Vice President on the Ease of Doing Business in Nigeria updated the Forum on the progress of the sub-national business reforms undertaken by the team since 2017. The EBES commenced a National Road Show to all the geo-political regions in October 2019 in collaboration with Host States. • In appreciating the States for their support during the road shows, she sought the support of the Forum in an upcoming project by the EBES Committee and the World Bank. She also noted that the World Bank expected States to nominate their Reform Champions and inaugurate their Ease of Doing Business Committee/States' Council for Ease of Doing Business. They also sought the support of all
