

INTERNAL MEMO

To: Nigeria Governors' Forum
From: Director General
Date: 18th March 2020
Subject: **Implementation of the NGF/JTB State Action Plan on Revenue Generation**

Your Excellency may recall that on **28th October 2019**, the Nigeria Governors' Forum signed on to the NGF/JTB State Action Plan on Revenue Generation.

The commitment was reached at the end of a Revenue Retreat organised by the NGF and the Joint Tax Board to promote a structured approach for tax reform implementation at the sub-national level and engender political support from State governors.

The plan sets out **5 objectives** and **12 actions** to raise revenues in a sustainable manner in the country.

Governors also committed to the Action Plan in a Seattle Declaration reached at the end of a 2-day meeting on Human Capital Development (HCD) convened by the Aliko Dangote Foundation, Bill and Melinda Gates Foundation (BMGF) and the NGF in **November 2019** in Seattle Washington, US.

The attached result shows States' progress in achieving **Objective 1 of the plan – Establishing a Consolidated Revenue Code (CRC) to end multiple / double taxation in States.**

3 States – Kaduna, Kogi and Plateau have established the CRC while 4 other States – Benue, Ekiti, Ondo and Yobe require minor actions such as publishing the law online.
