**NATIONAL ECONOMIC COUNCIL (NEC) MEMORANDUM FOR CONSIDERATION  
AND APPROVAL OF THE PROPOSED BUDGET ESTIMATES FOR THE NATIONAL  
ECONOMIC COUNCIL SECRETARIAT AND OTHER RELATED ACTIVITIES FOR  
YEAR 2020**

**NOTE BY THE HONOURABLE MINISTER OF FINANCE, BUDGET AND NATIONAL  
PLANNING**

**1. INTRODUCTION**

The purpose of this memorandum is to seek Council's consideration and approval of the proposed budget estimates for the National Economic Council (NEC) Secretariat operations and other related activities for year 2020.

2. You may recall that the National Economic Council (NEC) was established by the provisions of the Constitution of the Federal Republic of Nigeria (1999), as amended, Third Schedule, Part 1, Section 153, Sub Section 18 & 19 with its Secretariat at the Federal Ministry of Finance, Budget and National Planning (National Planning Wing). NEC, as one of the Federal Executive bodies, has the mandate to advise the President concerning the economic affairs of the Federation, particularly on the co-ordination of the economic planning efforts and/or economic programmes of the three tiers of Governments of the Federation.

3. The Secretariat of NEC is mandated to effectively cover NEC's monthly meetings, including the various NEC Ad-Hoc Committee meetings and to monitor all the resolutions passed by the Council to ensure they are implemented as approved.

4. Council may also recall that, during the Valedictory NEC meeting for outgoing States Governors held on Thursday, 23<sup>rd</sup> May, 2019, most of the speakers noted with regrets that the implementation of the resolutions passed by the National Economic Council between 2015 to 2019 were not effectively monitored or tracked by the Secretariat. The absence of effective monitoring mechanism of government's policies has always been the bane of development and implementation..

5. While the Secretariat might have the capacity to carry out its onerous task, it has however been unfortunately hindered by inadequate fund and/or relevant equipment to exercise its plans. There is, therefore, an urgent need to make adequate funding that could not be accommodated from the Federal Government budget to enable the Secretariat discharge its functions effectively.

6. I wish to put it on record the support of some of the State Governors and the Nigeria Governors' Forum Secretariat in terms of facilities and servicing of some of the meetings of the Ad-Hoc Committees. This however, is not sustainable and, therefore, the need for central funding from the Federation Account.

7. Council may kindly note that only Four Million Naira (N4,000,000.00) was appropriated as capital vote for the "Coordination of NEC Activities" in the 2020 Budget of the Ministry, which is not enough to fund the activities of the Secretariat.

8. The summary of the proposed budget estimate for the National Economic Council meetings and other related activities for 2020 are as shown below:

S/N	ITEMS/DESCRIPTION	TOTAL (N)
A	Stationery/Consumable Items for NEC Secretariat	7,004,000.00

D	Servicing of NEC Ad-Hoc & Sub-Technical Committees meetings	5,400,000.00
<b>Total</b>		<b>N95,014,000.00</b>

See attached for the breakdown of the estimates.

9. Following from the above, the National Economic Council is kindly invited to note that:

- (II) The Secretariat is mandated to cover NEC, Ad-Hoc and Technical Sub-Committee meetings, including tracking of NEC Resolutions;
