In 2007 the office of the Senior Special Assistant to the Governor on Millennium Development Goals was one of the first new offices established under the visionary leadership of Mal. (Dr.) Isa Yuguda with the aim of attaining the Millennium Development Goals Viz;

- Eradication of Extreme Poverty and Hunger
- Achieving Universal Primary Education
- Promoting gender Equality and Women Empowerment

2. CONDITIONAL GRANT SCHEME

In 2005 Nigeria negotiate debt relief of \$18bn, translating into debt relief gains of \$1bn each year to be dedicated to the achievement of the MDGs. In order to ensure effective utilization of the debt relief gain the Office of the Senior Special Assistant to the President on MDGs designed a Conditional Grant Scheme for states to apply and access funds for implementation of pro-poor projects.

In 2007, Bauchi state was among the states that applied and accessed the Grant, where the sum of **N1bn (One Billion Naira)** was received from the Federal Government and the state counterpart contribution of **N200M (Two Hundred Million Naira Only)** was used to provide 100 Solar Powered Borehole and 200 Hand Pumps to 300 communities across the state. These projects had since been commissioned and handed over to the benefiting communities. (list of locations attached).

Bauchi state again applied and accessed the 2008 Conditional Grant Scheme fund to the tune of **One Billion, Nine Hundred and Nine thousand Naira** including 50% state counterpart contribution for the provision of the following;

- 40 additional Solar Powered Boreholes
- Construction of 20 new Maternity Clinics
- Provision of 20 Hand Pumps for Newly Constructed Maternities
- Supply of Ambulance for each maternity clinic
