ON TUESDAY, 23RD AUGUST, 2022**

1.0 PREAMBLE

1.1 The FAAC Post-Mortem Sub-Committee meeting for the month of July, 2022 was held on 18th August, 2022 at the New Board Room of the Revenue Mobilization Allocation and Fiscal Commission (RMAFC). In attendance were members of the RMAFC, representatives of the Accountants-General, Commissioners of Finance, as well as those of Revenue Generating Agencies and Consultants to FAAC Post-Mortem Sub-Committee.

2.0 UPDATE ON OUTSTANDING ISSUES REFERRED TO THE SUB-COMMITTEE BY FAAC

- **Update on Waivers on Taxes and Penalties Granted to Some Tax Payers by FIRS**

The Sub-committee is still awaiting the FIRS Board decision on how the balance of **N3,591,039,664.26** would be recovered

- **Update on NNPC's Deductions in Respect to Government Priority Projects**

The Sub-Committee had deliberated on this issue at various meetings and agreed that it was necessary to visit the locations of the fifteen (15) Government Priority Projects funded by the Federation to ascertain the level of completion and amount expended so far. NNPC was also requested to provide the various locations of the Projects. However, NNPC has still not made available the locations of the Projects hence the Sub-Committee has been handicapped in proceeding on the assignment.

The Sub-Committee hereby request the Plenary to intervene and request NNPC to make available the needed information to the Sub-Committee to enable it embark on the assignment.

NNPC has so far deducted the sum of **N1,075,625,712,996.01** for the period 1999 to June, 2022 for the funding of Government Priority Projects. Details on **Table A** below.

FAAC ANALYSIS FOR JULY, 2022

- **Update on \$599,131,170.02 NPDC Indebtedness to NUPRC on Forcado’s Assets OML 119, 60-63 Series**

Recall that the Sub-Committee had been following the N2.2 Billion legacy debt owed to NUPRC by NPDC. Also through various reconciliations between stakeholders, the NPDC and NUPRC signed-off the net liability outstanding amounting to **\$599,131,170.02**. The Sub-Committee was informed that there was no payment made into the Good and Valuable Consideration (GVC) Account for the Month of May, 2022 from NPDC in respect of its outstanding indebtedness to the Federation Account. Although, NPDC in its meeting with NUPRC of March, 2022 agreed to start defraying the outstanding indebtedness **\$599,131,170.02** on a monthly instalment of **\$66,645,907.78** from May, 2022. However, in the month of May, 2022, the sum of **\$21,563,800** was reported to have been paid into the GVC Account by NPDC, but the Sub-Committee confirmed that the amount was not paid into the Federation Account. The Sub-Committee is working with the NUPRC and OAGF to ensure that the amount will be paid into the Federation Account accordingly.

- **Update on State by State Consumption of Premium Motor Spirit (PMS)**

The Sub-Committee had received details on State by state PMS Consumption from NMDPRA and NNPC which was analyzed and presented. However, members of the Sub-Committee observed that the data presented was the Depot Truck Out and not actual consumption by States. The Members directed that the Sub-Committee should write and request NMDPRA to provide actual data on State by State PMS Consumption and report back.

- **Update on Exchange Rate**

- a) **Exchange Rate Application by NNPC on Domestic Crude, PPT and Royalty.**

The Sub-Committee analyzed the Exchange Rate Application by NNPC on Domestic Crude Oil Sales for the period January, 2015 to 2021 which revealed a shortfall of about **N105 billion**. The Analysis was made available to all the concerned Agencies to study and confirm the figures from Post-Mortem Sub-Committee before the next meeting. While work is still on going on the Exchange rate applied on PPT, Royalties and Export Crude Oil Sales.

b) **Exchange Rate Application by CBN on Forex Equalization Account and Others.**

The Sub-Committee had a stakeholders meeting with the Consultant of the State Commissioners of Finance Forum where he was requested to explain how he arrived at the findings contained in the Report of the Forum. It was however observed that the Consultant did not take cognizance of inflows and outflows from exchange gain ledgers that would have enhanced the corrections of established shortfall of **N881,497,109,779.84** between 2015 to 2017. The CBN was also requested to explain why for three (3) months from April to May, 2022, the mandated rate was not applied.

The Sub-Committee resolved that the OAGF should avail the Consultant with exchange gain ledger to assist him adjust the findings in the Report where necessary. While the CBN should report back on the observations raised in respect of the Banks' remittances between April to June, 2020.
