The Second Quarter Appraisal of 2019 Budget was carried out with a view to determining the actual level of performances on Revenue and Expenditure by MDAs in the State during the period under review. The overall performance level of the Revenue was **76%** as against **79%** recorded in 2018. It should be noted that **95%** was recorded in the Internally Generated Revenue of Tertiary Institutions while the performance of Ministries, Departments and Agencies (MDAs) was **54%** in the second quarter of 2019. However, the performance can be improved upon through concentration of the Internal Revenue Service on the informal sector of the State in the next fiscal year.

The Budget appraisal also indicated that the ratio of recurrent expenditure to capital expenditure is **94:35** as against ratio **76:47** in the 2018. It is expected that concerted efforts would be made to improve on the implementation of Capital projects in the last two quarters of the year 2019.
