## THE PRESENTATION OF YEAR 2017 BUDGET PROPOSAL TO THE ENUGU STATE HOUSE OF ASSEMBLY BY HIS EXCELLENCY, THE GOVERNOR OF ENUGU STATE, RT. HONOURABLE IFEANYI UGWUANYI ON 23<sup>rd</sup> DECEMBER, 2016

### Protocol

It is with a grateful heart to the God of Abraham, the God of Isaac, the God of Jacob and awesome God of David that I stand before you today, 23<sup>rd</sup> December, 2016 to present my second annual budget as the Governor of Enugu State.

Mr Speaker Sir, Honourable Members of Enugu State House of Assembly, on behalf of the Executive Arm of the Government, I wish to thank you all for your commitment and support to my administration as we strive together to fulfil our mandate and the social contract with the good people of Enugu State. It may be recalled that about one year ago, 23<sup>rd</sup> December, 2015, to be precise, I was in this hallowed chamber to present the draft 2016 estimate which you kindly considered and passed in record time. This was quite commendable. With your legislative commitment, aligning the fiscal year with the calendar year has been institutionalised in Enugu State.

"This Budget is expected to create an environment that will encourage full development of our human and natural resources, rekindle our social services and rebuild our vital infrastructure in all sectors and across the State. This will therefore, propel the State along the path of economic recovery and promotion of full and productive employment of the citizens of Enugu State."

Mr Speaker, Honourable Members, permit me to also use this occasion to thank the good people of Enugu State for their usual support, cooperation and prayers for the success of this administration. To this end, I declare: "Enugu State is in the hands of Almighty God".

The year 2016 has been a challenging year due to the present economic recession in the country necessitated by fall in the price of crude oil in the international market and low daily production of oil in Nigeria as a fall out of security challenges in the Niger Delta region. However, the year 2016 also provided opportunity for Enugu State to explore other ways of expanding the economic base of the State. In April this year, we organised an Investment summit, the first of its kind in the State and this attracted investors from all over the globe with the sole aim of bringing both local and foreign investors to the State which is already yielding results. The summit created opportunity for us to showcase the huge investment potentials in the State. The Public-Private Partnership (PPP) law that will guide the partnership with these investors has already been put in place.

In October this year, we also organised a Donor Conference which was attended by both local and international Donors. During the conference, the Economic Blue Print of the State was presented to the Donors to identify areas they can partner with the State in achieving our development agenda, thanks to you all for supporting this initiative. Some of the Donors have already indicated their interest to partner with the State. Due to the present economic situation in the country, it is no longer possible for the State to fund all development programmes alone and hence the need to search for Donors for their support.

Within the year, we have also reorganised the Board of Internal Revenue and reformed the revenue collection system to make the Board more responsive in revenue collection. Since 2015, the revenue accruing to the State from the Federation Account has been on decline and the need to increase our Internally Generated Revenue cannot be over emphasised. The State is working hard to grow our Internally Generated Revenue up to 50% of our total revenue and I know that with the cooperation of all, this can be achieved and this will help us to provide more democratic dividend to our people.

It is worthy of note that inspite of the harsh economic situation in the country, Enugu State has been consistent in payment of monthly salaries and pensions. We have been able to manage the lean resources of the State prudently to be able to meet up with recurrent obligations and also provide infrastructural facilities for our people. Enugu State is in God's hand and as He provides for us, we will do more for our people. Therefore, in our collective pursuit of a better Enugu State for all, I want to assure our people that inspite of the present economic situation in the country, better days lie ahead. It is our resolve to leave Enugu State better than we met it.

Mr Speaker Sir, permit me to present before this honourable House, the 2017 Budget Estimates tagged, "***Budget of Economic Recovery and Inclusive Development***". The budget is so named because, in this budget, we intend to break through the storm of the present difficult economic condition in the country by making huge investment in physical and social infrastructure both at State and Local

Governments to stimulate economic activities at all levels for inclusive economic growth. The outcome of successful execution of the projects in this regard as articulated in the 2017 Budget will impact positively on the lives of our people in the 17 Local Government Areas of the State. Attention will also be given to job creation through small and medium entrepreneurship development, skill acquisition and youth empowerment. We will also leverage on Public Private Partnership in agriculture, real estate development, and commerce and industry to drive our commitment to transform the State from public to private sector economy. The high level of security in the State will be sustained and we will continue to improve on our social services especially in health and education institutions. This present administration under my watch will continue to institutionalize transparency and accountability in managing public resources on behalf of the good people of Enugu State. We are therefore, strongly committed to effective public expenditure management and zero tolerance to corruption in all government business.

### **Review of Year 2016 Budget**

Mr Speaker and distinguished members, before I present the 2017 Budget Estimates, permit me to review the implementation of the 2016 budget which happens to be the first budget this administration is implementing from January to December having met that of 2015 half way. This will therefore provide a background to the 2017 Budget proposals.

The 2016 Budget was made up of 43,735,931,000 Recurrent and 41,443,518,000 Capital representing 51% and 48.7% respectively bringing it to a total budget size of 85,179,449,000. The ratio of Recurrent to Capital in the 2016 Budget is 51%:49%.

Mr Speaker, I make bold to say that the 2016 budget was consistent with our development framework designed to impact positively on the lives of our people across the entire State. Apparently, it will be tantamount to stating the obvious, but permit me to underscore the fact the 2016 fiscal year has been characterised by biting economic crunches, and this has bedevilled the lofty dreams we had nursed for the good people of our noble State during the year. Yet, in spite of this harsh reality, we were able to record the following landmark achievements during the year.

## Works and Infrastructure

From the inception of this Administration on May 29, 2015, we made our intentions clear that this Government would continue with the laudable interventions already set in motion in the State by the Sullivan Chime led Administration so as to consolidate good governance in the State in line with global standard practices. Thus, we shall continue to give priority attention to the construction of new roads and rehabilitating numerous others in various states of disrepair in our continued bid to improve travel times, enhance connectivity with our rural communities and reduce road accidents and other ills associated with bad roads.

In consonance with the above, in the 2016 fiscal year, we aggressively pursued work on the following 8 road projects:

### **General Administration**

In our continued determination to provide the most conducive working environment to civil servants under the employ of Enugu State, during the year under review, Government committed huge resources to giving a face lift to Abuja Building, Government House, Enugu and the construction of the new Governor's Office (New Lion Building) Enugu.

Official vehicles were also provided to members of the House of Assembly, the Judiciary, Honourable Commissioners and other top government officials to provide logistic support to MDAs so as to enhance efficiency and timely delivery of government policies and programmes.

### **Civil Service**

The welfare of both current and retired staff of Enugu State was well cared for during the implementation of the 2016 budget. To this end, we ensured the regular payment of salaries and pensions irrespective of the challenges of declining revenue. I make bold to state here that the December 2016 salaries and pensions has been fully paid. We successfully utilized the bailout fund from the Federal Government to liquidate outstanding pensions and subvention to parastatals, agencies and departments.

Also, to produce the best calibre of civil servants who are capable of bracing up with the current challenges of globalisation, Government this year embarked on massive in-house training of civil servants in the State on ICT and non-computer-based literacies. In summary, 350 civil/public servants were given computer training, while 2,608 were trained in general office duties.

## **Agriculture**

In the area of Agriculture, this administration has made Public Private Partnership her main framework for developing the agricultural potentials of the State. To achieve this, we aligned our agricultural projects and programmes with the Agricultural Transformation Plan of the Federal Government and keyed into the N2 billion Staple Crops Processing Zone (SCPZ) Programme by the African Development Bank in conjunction with the Federal Government, by releasing counterpart funds for the Programme. We procured over 3,912 bags of fertilizer, 78,462kg of improved species of rice seeds, 6,510 litres of herbicides, 4,366 litres of insecticides and other agro inputs and cultivated 1,530 hectares of rice field. Also, 20 tractors which are being hired to farmers at very low rates were procured this fiscal year. Recently, with your support and the support of the good people of Enugu State, the present Enugu State Government under my leadership acquired 750 hectares of land, 200 of this has been cleared, to be distributed to youths and women for large scale agricultural production.

Mr Speaker, Hon. Members, during the fiscal year, we boosted the production and value addition of rice, pineapple and cashew nuts through the revival and expansion of Adani Irrigation Scheme, multi-million dollar investment in Messrs Enugu San Carlos Farms and the massive construction of feeder roads. These are evidences of this administration's commitment towards making Agriculture a mainstay in our pursuit to diversifying our economy.

The State Government also completed arrangements to sign Memorandum of Understanding with some investors who have indicated interests to invest in the Agricultural Sector of the State.

## **Education**

During the fiscal year under review, we demonstrated in practical terms the commitment of this administration to enhance quality and affordable education for our children, who are expected to take the transformation of our dear State beyond our generation. We havemade considerable progress inthe execution of a N3 billion worth of projects for the renovation of over 276 schools. It is therefore on record that

the committee on reforming the Education sector, headed by the Deputy Governor, Her Excellency, Hon (Mrs) Cecilia Ezeilo has made substantial progress in the full implementation of ENSUBEB projects in the Primary Schools. Some of these projects have been implemented during the period under review. To this end, Enugu State is currently maintaining 9<sup>th</sup> position in the nation on WAEC performance. Hon Speaker, this is a clear outcome of our reform and investment in Education Sector.

We also upgraded the Institute of Management and Technology (IMT) into a degree awarding institution. Through the revalidation and accreditation of new courses, Enugu State Polytechnic and Enugu State College of Education Technical have been repositioned to produce quality man-power that will meet the emerging needs of industries in Enugu State.

In 2016, we also paid salaries and other entitlements to the over 153 disengaged staff of Enugu State University of Science and Technology, Enugu and to boost the quality of learning in our public primary schools, we have fully keyed into the Home School Meal programme initiative of the Federal Government. About 2,000 food vendors have been carefully selected, formed into cooperatives for smooth execution of the function and documented in readiness for the take-off of the programme.

## **Health**

In our efforts to ensure good health for our citizens and turn the State into a medical tourist State as stated in my 4-Point Agenda, we continued to sustain the Free Maternal and Child Healthcare Programme in the State and also completed arrangements for the construction of three (3) new Specialist Hospitals.

The ultra-modern medical diagnostic centre is nearly completed. Construction of a 2-storey building for classrooms, offices, library and auditorium for the School of Nursing in ESUT Teaching Hospital, Parklane, Enugu was completed. We also undertook the procurement of computers, gubabi fire-proof safe, etc. to ensure the accreditation of the School of Midwifery in the ESUT Teaching Hospital. Similarly, a two-storey building was completed for the School of Nursing, also to meet with the accreditation requirements.

We equally embarked on the establishment of a 5-bed Dialysis Unit, procurement or equipment for the Endoscopy Unit, ICU, hussor birthbeds, cervical traction, lunar traction machines, microtome blades, ophthalmic instruments, patient trolley, auto-analyser, operating microscope,

anaesthetic monitor, sterilising machine, examination couches, haemoglobin machine for clinics/wards, laboratory, theatre, Neurology Unit, ICU at the ESUT Teaching Hospital, Parklane, Enugu.

Mr Speaker, in our efforts to provide the best learning environment for our health students, we completed the building, tiling installation of burglary proofs and painting of male and female wards, offices, catering unit and construction of Security Post at Emene Psychiatric Hospital. We also undertook the provision of electricity generating set and cooking utensils for the Kitchen Department of the same hospital. I wish to state here that sophisticated equipment like Radiology MRI, Mammography machines, etc have been procured for the Centre and installation is almost 100% completed.

### **Security and Justice**

It is on record that Enugu State has maintained the lowest level of crime rate in the country over a number of years and is, therefore, the safest State in Nigeria. We maintained this enviable height through the empowerment of security agencies by the provision of vehicles and equipment as well as other necessary logistics. To boost security and nightlife in the State even further, Government, during the year under review, installed 47 No. street light poles within Enugu and Nsukka Urban Centres.

The State Government also embarked on the registration and reconstitution of 53 neighbourhood watch groups and associations within the year under review to complement the efforts of the security agencies especially in the rural communities.

During the period under review, the state government was committed to ensuring that Justice is entrenched and therefore accomplished many significant gains in the Justice sector. Foremost amongst them was the development and passing of over 10 laws. Notably, the Child Rights Law, Enugu Investment Development Authority Law and the Land Use Charge Law and many other Bills including the Administration of Criminal Justice were passed.

The present administration for the first time since the return of democracy in 1999 exercised its powers of prerogative of mercy by granting two (2) prisoners pardon for sentences in murder and manslaughter respectively, and reducing sentences of Five (5) inmates sentenced to death to life imprisonment sentence. Further to, the State also embarked on ensuring that justice was given to awaiting trial inmates of the Enugu State Prisons, and a total number of three hundred and sixty nine persons (369) were granted bail and others released unconditionally.

## **Anti-Corruption**

One of the major steps this administration is taking to ensure the provision adequate fund for the implementation of our life impacting projects and programmes is the elimination of wastage and other unjustifiable expenditure. Mr Speaker, due to your efforts and the efforts of the rest of the members of the 11-man committee which I set to audit and find out the real staff strength of the Local and State Governments through biometric data capturing, 3000 ghost workers who had been on the payroll of Enugu State Government was discovered and eliminated. The money recovered so far has been channelled into other projects.

## **Housing**

Government is not insensitive to the biting problem of accommodation confronting the citizens of the State. It is against this backdrop, Mr Speaker and Hon Members, that I also wish to let you know that aside from the 100 housing units that were allocated to 100 civil servants at Elim Estate, last year, Government has also completed additional 10 housing units for civil servants at Ibagwa Nike, and they are yet to be allocated to beneficiaries, while many others are still in progress. Land has also been acquired at Eko Nike for massive housing project for the general public. During the year also, Government undertook the clearing of Heliu Residential Layout, New Independence Layout as well as Federation Layout I & II, Emene.

Hon Speaker, we equally provided basic infrastructure at Satelite Estate Akpuoga Nike and also concluded plans to partner with Local Government Authorities for massive construction of staff quarters for workers in the rural areas. Development projects were also executed at Legacy Estate Ugwani by Phase 6, 9<sup>th</sup> Mile Corner Mega Estate and Harmony Estate at Nike, Enugu. All these projects are expected to be concluded in 2017 by leveraging on Public Private Partnership as I stated earlier.

## **Electricity**

Mr. Speaker, Honourable members, I am equally glad to report that we are still committed to ensuring that every community in the State is connected to the National Grid. Our efforts towards actualising this dream include:

- ✓ Extension of electricity networks to Edem Ani and Ajuona Orba communities, and Zik's Flats, Onuiyi Heaven, Nsukka;
- ✓ Boosting/energising of electricity at Umuona, Umuopu, Umuagama, Aguibiji and Olodi Umuaneké Ugwuesá, Ukehe, NdiugwuChime Uwadi Ukehe, Akaibite Ohebe Dim, Ikolo, Amakaohia Ukehe Ngodongo Layout and Ohodo communities.
- ✓ Replacement of burnt transformer at Iva Crescent, Independence Layout, Enugu;
- ✓ Installation of MV panel for power supply at Okpara Square;
- ✓ Replacement of underground armoured cable at Government Main Lodge, Government House, Enugu.

We shall remain steadfast in our pursuit till the task is fully accomplished.

## **Commerce and Industry**

During my inaugural speech, I made it clear that we will pursue other sources of income to complement the Federal Allocations coming into our coffers for massive economic development of the State. In pursuance of the above, the first cargo plane to arrive the south-eastern part of this country landed in the Akanu-Ibiam International Airport, Enugu and to the glory of God, we hosted both international and local investors at the opening ceremony of the much anticipated Free Trade zone which is now a reality. This trade zone will offer free trade conditions and a liberal regulatory environment with the aim of attracting foreign investors, partners and buyers who will facilitate the entry of our industrial goods into the world market thus creating employment opportunities for the teeming population of our youths and bring in foreign exchange.

To boost youth development and poverty reduction in the State through small and medium enterprises, we mentored and coached over 2500 businesses and entrepreneurs on current strategies of growing businesses. We also facilitated loans for 700 beneficiaries and created thousands of direct and indirect jobs thereby reducing crime rate in the State.

## **Youths and Sports**

The outcome of our investment in youths and sports was made manifest in the crowning of Ranger International Football Club, Enugu as champions of the Nigeria Professional Football league for the first time in 32years. This has therefore placed Rangers on the global football map.

These investments include but not limited to the release of funds for the recruitment of quality players, payment of outstanding entitlements of staff and players and provision of buses and official cars for officials and players.

## **Finance and Economic Development**

During the period under review, this administration doubled its commitment to reforming our public expenditure management to ensure transparency, accountability and efficiency in resource allocation and expenditure control through the full implementation of the Treasury Single Account (TSA). Enugu State has adopted the International Public Sector Accounting Standard (IPSAS) in our budgeting and accounting process. We have also maintained the record as the first State to publish the Annual Financial Report every year. Mr Speaker and Honourable Members of this hallowed chamber, it is on record that Enugu State is among the top five states of the federation with the highest turnover cash even after meeting monthly obligations and the 3<sup>rd</sup> most debt sustainable state in Nigeria and first in the south east zone. Also during the year under review, Enugu was rated the 31<sup>st</sup> most resilient city in the world according to Rockefeller Foundation and is still the first Nigerian city to make the list of 100 resilient cities.

The current economic reality and the global and national recession which is currently putting pressure on the State has made us to redouble our efforts towards carrying out major reforms in our Board of Internal Revenue. The State Government sourced for, and hired a renowned investment banker as the chairman. The new management and board is currently restructuring, reengineering and strengthening the capacity of the Board in order to reposition the Board of Internal Revenue (BIR) for an improved performance. Efforts are also on-going to put in place ICT infrastructure that provides a common platform to warehouse revenue from all the MDAs including Higher Institutions. Additionally, the State Government is reviewing and updating the existing legal framework in line with best practices to make our IGR administration more robust and responsive, without imposing unnecessary tax burden on the good people of Enugu State. Our effort is beginning to yield result as the State is targeting about N2 billion monthly during the 2017 fiscal year.

All these initiatives in this sector are tied to our commitment to implementing our 4-point agenda anchored on the Medium Term Implementation and Sector Plans, using credible and realistic annual budget as implementation tool. The broad goal is to ensure proper linkages among our 4-Point Agenda, State and Sector Medium Term Development Plan and Annual Budget. This is therefore to ensure consistency and continuity in the implementation of our programmes and projects so as to avoid abandonment of any of the impact driven projects we have initiated since the commencement of this administration.

## **Gender**

Gender is one of the critical and most sensitive issues around the globe presently. The State, therefore, in order to ensure the upliftment and empowerment of our mothers and as a way of reducing poverty in the rural communities, introduced an Empowerment Programme where 500 women were trained in various Skills and start-up funds provided for them.

The Child Right Law was passed in this Hallowed Chambers and all the enforcement agencies are being given all the necessary support for the full implementation of this law which will leave a very big impact on the future leaders of this great State. The Maternal Centre for Abandoned Children at GRA which was abandoned over the years was renovated, equipped and backed up with Generating Sets for adequate power supply to care for the abandoned children due to unwanted pregnancies in the State. We also maintained a Sexual Abuse and Referral Centre which is a gender justice responsive project designed to provide rapid, holistic and high quality free medical and psycho-social services to victims and survivors of sexual assaults.

Gender mainstreaming was also achieved in all the Ministries, Departments and Agencies in the State Civil Service.

## **Water**

This review will not be complete if I fail to mention some of the achievements we recorded in the water sector. We committed huge resources to the provision of adequate and safe clean water to our citizens in the urban and rural communities of our beloved State; thanks to the Local Government Council Chairmen and community leaders for sustaining most the projects left in their care.

To ensure proper distribution of water, we executed the following projects during the 2016 fiscal year:

**2017 Approved Budget ..... Budget of Economic Recovery and Inclusive Development .....**

- ✓ 250 meters of pipeline extension at Elim Plaza Ebeano Turnel/Estate
- ✓ 100m diameter pipeline extension of 450 meters distance at Edozie street independence layout Enugu
- ✓ Pipe line extension to a distance of about 3 kilometers of 100-150mm diameter pipes at Golf Estate, G.R.A, Enugu

Due to our efforts also, over USD 100,000 for small town water provided by Water Aid has continued to sustain water projects at Udenu, Igboeze North, Igboeze South, Nsukka and Nkanu East Local Government Areas of the State.

The spread of water borne infections and diseases have been reduced to the barest minimum due to these efforts.

It is obvious that time will not permit us to enumerate all the substantial achievements in other sectors. However I make bold to say that we have made modest progress in our reform efforts.

## Year 2017 Budget Estimates

In the 2017 budget, we will remain focused on the promise I made to the people of Enugu State during my inaugural speech where I committed myself to employment generation, enhanced social services and good governance, rural development, security and justice. Since the inception of this administration, we have not relented in deploying government services to create fair and equal opportunity for every willing citizen to make a living and create wealth in the State, as well as educating our children, where all will enjoy life in a peaceful and secure environment. Our efforts in investment promotion, agricultural sector renewal, provision of critical infrastructure, human capital development and skill acquisition are already yielding positive results.

The 2017 budget is people oriented and all-inclusive, involving all stakeholders both at State and Local Government levels. Consequently, this approach is expected to create an environment that will encourage full development of our human and natural resources, rekindle our social services and rebuilding our vital infrastructure in all sectors and across the State. This will therefore, propel the State along the path of economic recovery and promotion of full and productive employment of the citizens of Enugu State.

In 2017, attention will be given to completion of on-going 2016 priority projects, expanding investments in productive infrastructure and executing other new projects that will touch the lives of our people positively. We have equally mapped out strategies for implementing the budget.

## 2017 Budget Thrusts

The strategies for successful implementation of 2017 budget include but not limited to:

- ✓ Improve economic growth through more investment in physical infrastructure and improve on the State ease of business index so as to provide enabling environment that will sustain our efforts to make Enugu State a preferred destination for local and foreign investors.
- ✓ Ensuring adequate resource allocations for the completion of on-going projects whose procurement were initiated in 2016 and 2017 projects whose procurement is expected to be initiated during the 2017 fiscal year.
- ✓ Ensuring efficiency and effectiveness in resource allocation and procurement process so as to cash-back all approvals in accordance with policy in cash flow management.

- ✓ Expanding the revenue base of the State by Upgrading ICT infrastructure to bring all revenue generating MDAs into one platform, reviewing and updating relevant laws that will support a robust and transparent revenue administration to realise our target of (N2,000,000,000) two billion Naira monthly.
- ✓ Adopting a bottom-up approach in the 2017 budget to ensure inclusion of all stakeholders in the budgeting process.
- ✓ Leveraging on the outcome of just concluded Donor Conference and Investment Summit to explore complementary funding for the projects.
- ✓ Ensuring Recurrent to Capital ratio of 40:60 in the 2017 budget and multi-year budget, spanning 2017 – 2021 fiscal years.
- ✓ Diversification of the economy through private sector participation and Public Private Partnership to fast-track sustainable and inclusive economic development.
- ✓ Prudency, Transparency and Accountability in all Government Businesses and zero tolerance to corruption.
- ✓ Eliminating wastage and other unjustifiable expenditure that have no direct link with the State Medium Term and Sector Plans anchored on the 4-Point Agenda of the Government.

## 2017 Recurrent Revenue

In 2017, Government expects a Recurrent Revenue of (**N71,371,880,000**) seventy one billion, three hundred and seventy one million, eight hundred and eighty thousand Naira as against (63,097,415,000) sixty three billion, ninety seven million, four hundred and fifteen thousand Naira forecast in 2016. This is inline with our current efforts to ensure realistic budget thereby limiting our expectation in case of further drop in oil revenue. Government intends to realise this amount through more aggressive Internally Generated Revenue drive and this is estimated to yield (N16,266,614,000) sixteen billion, two hundred and sixty six million, six hundred and forty thousand Naira, representing 22.79% of the total recurrent revenue, a projected share from Federal Statutory Allocation estimated at (N42,205,000,000) forty two billion, two hundred and five million Naira which represents 59.13%, a refund of (N12,900,266,000) twelve billion, nine hundred million, two hundred and sixty six thousand Naira from Paris and London Club for excess deductions of External Loans which represents 18.07% of the total recurrent revenue and the balance of (N12,900,266,000) twelve billion, nine hundred million, two hundred and sixty six thousand Naira which was appropriated for capital development.

## 2017 Recurrent Expenditure

The estimated Recurrent Expenditure for the year 2017 is (N**55,197,939,000**) fifty five billion, one hundred and ninety seven million, nine hundred and thirty nine thousand Naira. Out of this amount, (N38,101,346,438) thirty eight billion, one hundred and one million, three hundred and forty six thousand, four hundred and thirty eight Naira, representing 69.03% is for personnel costs, including Consolidated Revenue Fund charges. A total of (N11,310,391,978) eleven billion, three hundred and ten million, three hundred and ninety one thousand, nine hundred and seventy eight Naira which represents 20.49% is for overhead cost while (N5,786,200,584) five billion, seven hundred and eighty six million, two hundred thousand, five hundred and eighty four Naira, representing 10.48% is for subvention to tertiary institutions and parastatals.

### **Works and Infrastructure**

The importance of a good network of roads in enhancing rapid socio-economic transformation in Enugu State cannot be over emphasised. Making every community in the State accessible by road is a task that must be accomplished, as we advance our commitment to providing physical and socio-economic infrastructure that will provide enabling environment for investors. In this regard, we will strive to complete all on-going urban and rural roads while new ones will also be awarded.

To accomplish these lofty goals of the State Government, the sum of **23.583** billion was allocated to the Ministry of Works and infrastructure in the 2017 budget. Over 5 billion out of this amount will be spent on provision of critical infrastructures across the 17 Local Government Areas. This intervention will help to stimulate inclusive economic growth and provide job opportunities at that level. May I also note that work has already commenced in different sites for the road projects awarded by the State Government across the entire State as earlier mentioned in this budget.

### **Agriculture**

It is on record that Agriculture was the main stay of our economy before the discovery of oil and therefore, this administration will continue to invest heavily in material and human capital development in Commercial Agriculture. Arrangement has been put in place for dry season rice production in the State through the World Bank Assisted FADAMA Projects. In the coming year, efforts will be made to consolidate and improve on what has already been achieved in Enugu Songhai Initiative, Enugu San Carlos Pineapple programme and World Bank assisted Commercial Agriculture. Much attention will also be given to Enugu State Polytechnic, Iwollo which has been working hard to produce the

manpower the State needs to sustain our efforts to commercialise agriculture and enhance value chain. With all these in place, there is bright prospects for the much-desired food security and employment generation for the growing youth population in the State. We will continue to leverage on Public Private Partnership (PPP) to boost the production of key food and cash crops such as rice, maize, fruit trees, oil palm, cashew, banana and pineapple.

The Agriculture sector received an allocation of the sum of 464.5 million Naira as we expect to leverage on Public Private Partnership (PPP) to augment this allocation.

## **Health**

It is a known fact that health has a direct relation with wealth and therefore, for us to have a wealthy State, we must have a healthy State. This justifies the level of attention we are giving to the health of our people in this present administration.

The plan to construct 100-bed (expandable 200) highly specialised hospital is still on course. We will continue to sustain and improve on the services being provided through the on-going Free Maternal and Child Healthcare Programme.

Every effort will be made for the State to achieve the health component of the Sustainable Development Goals. The Enugu Diagnostic Centre is nearing completion and when completed, will make Enugu the “Centre of Excellence” regarding health services. It is in consideration of the important role that health can play in the overall well-being of our people that made us to set aside the sum of **2.547** billion for the Health sector in the 2017 fiscal year. This allocation is for the Ministry of Health, ESUT College Medicine Teaching Hospital and Enugu State Action Committee on Aids (ENSACA).

## **Education**

It is a right for every child in Enugu State to be educated and for this reason, this administration will continue to make quality education accessible and affordable for our people. The on-going free education from primary to Junior Secondary School III will be sustained. The State has already embarked on the renovation of over 276 schools and the recruitment process of 2,000 teachers to improve the quality of education as well as enhance the student-teacher ratio is almost completed. Facilities in our tertiary institutions will also be improved.

In 2017, Education sector will receive a total vote of **5.951**billion. This sum covers allocations made for the Ministry of Education, State Universal Basic Education Board (ENSUBEB), Enugu State College of Education Technical, Enugu State University of Science and Technology (ESUT), Institute of Management and Technology (IMT), Post Primary School Management Board (PPSMB), Enugu State Science, Technical and Vocational School Board and Enugu State Scholarship and Education Loans Board.

## **Commerce and Industry**

The Investment Summit held in Enugu this year and the establishment of Free Trade Zone at 9<sup>th</sup> Mile Corner have opened the State for investors and industrialists. Apart from coal, Enugu has other mineral deposits like oil and gas, limestone, clay, copper, bauxite, glass sand, gypsum etc. yet untapped. This administration will create favourable environment for investors who may be interested in exploiting these minerals. Plans are underway to partner with private investors to revive the moribund industries in the State. Our Small and Medium Enterprise (SME) Centre has been fully revitalised. The State Government will continue to partner with the Central Bank of Nigeria, Bank of Industry and other Financial Institutions to make soft loan available to our people. All these efforts will create job opportunities for our people and also increase the wealth base of the State.

In the coming year, the sum of **310** million is allocated to Ministry of Commerce and Industry.

## **Rural Development**

Rural Development is one of the cardinal issues in the new 4-Point Agenda. We are not relenting in our efforts to provide a range of infrastructure in the rural communities. It was against this background that we requested for priority projects from the 17 Local Governments of which contracts have been awarded and contractors are already mobilised to sites. The target to provide electricity to every community in Enugu State is still on course and must be achieved. To achieve this goal, the sum of **2.168 billion** has been allocated to Rural Development projects in 2017 Budget.

## **Housing**

Shelter is one of the basic necessities of life and the State Government is striving hard to provide comfortable and affordable houses to the good people of Enugu State. We will continue to partner with the Federal Mortgage Bank and other private institutions in the provision of

infrastructure at Satellite Estate and development of Legacy Estate Ugwuani by Phase 6, development of the 9<sup>th</sup> Mile Corner Mega Estate and development of Harmony Estate at Nike. The total sum of **2.449 billion** was allocated to Ministry of Housing and Housing Corporation in 2017 Budget.

## **Water**

Water is another indispensable basic need of life that the present administration is giving much attention. We are committed to provision of potable water to our urban and rural dwellers in the State. We will continue to sustain and expand existing water schemes at Enugu and Nsukka urban areas. Small Town Water Projects and Rural Water and Sanitation Agency will also be given a boost.

The sum of **1.350 billion** is budgeted for urban and rural water for 2017. This allocation is for the Ministry of Water Resources, Small Towns water Supply and Sanitation, Water Corporation and Rural Water and Sanitation Agency (ENRUWASSA).

Finally, allocations have been made to the tune of 7.5 billion and 3 billion respectively as counterpart fund to partner with private sector and donor community to sustain commitment towards opening the window for private sector development and achieving sustainable development goals. Also, adequate allocations have been made to cover other Ministries, Departments and Agencies. However, further details will be presented by the Honourable Commissioner for Finance during the budget breakdown.

## **Key Deliverables and Expected Outcome of the 2017 Budget**
