

2020 BUDGET SPEECH

'A BUDGET OF RESCUE AND INFRASTRUCTURAL CONSOLIDATION 2020'

Mr. Speaker, it is my honour and privilege to address this Honourable House and the People of Plateau State on the 2020 Budget of our present Administration.

At this juncture, I wish to acknowledge and thank the Plateau People for your trust, understanding, perseverance, resolute determination and collective support that returned this Administration for the second term and believe in office, to task our stewardship further towards more accelerated Socio-Political and Economic Development of our darling State. And so to you again, I say thank you. People of Plateau State, before I present to you the 2020 Budget, it is appropriate we take a look at our past performance, assess the achievement of government developmental efforts in the last Financial Year.

2019 BUDGET REVIEW

The 2019 Budget which was christened the "Budget of Rescue and Infrastructural Growth" had a total size of One Hundred and Fifty-Three Billion Five Hundred and Thirty Seven Million One Hundred and Ninety Thousand and Sixty Nine Naira (~~₦~~153,537,190,069.00) only. This was made up of ~~₦~~85,471,288,775.00 as Recurrent Expenditure and ~~₦~~68,065,901,294.00 as Capital Expenditure.

REVENUE MOBILIZATION AND GENERATION

To mention that revenue generation is a sine-quo-non to any successful budget implementation cannot be over emphasized therefore in our efforts to meet revenue targets most especially the IGR we have set new targets for the IRS to redouble its efforts. And this has resulted to an increase from an average of N800Million to N1.1Billion IGR per month.

Mr. Speaker, Hon. Members, a lot still needs to be done if we are to generate sufficient revenue internally to carter for most especially Salaries and other government running costs. We have in June within the year approved 100% retention of all revenues accrued to all Tertiary Institutions in the State; however it is with dismay to note that there are some MDAs that are yet to completely key into the TSA System. These MDAs are encouraged to immediately fully comply, while others who have are encouraged to come up with programmes and strategies to maximize revenue generation and collection.

In the spirit of Accountability and Transparency during the year under review-January to October 2019-a total revenue of N64,854,935,607.31 was realized from the following source:

	=N=	K
a. IGR - - - - -	12,050,295,538.96	
b. SRA - - - - -	32,014,971,048.00	
c. VAT - - - - -	9,074,454,282.00	
d. EXCHAGE GAIN RATE DIFFERENCE PPT -	777,517,453.36	
e. EXCESS CRUDE - - - - -	83,767,001.62	
f. DOMESTIC GRANTS - - - - -	905,868,670.00	
g. REIMBURSEMENT - - - - -	9,948,061,613.37	
Total -	<u>64,854,935,607.31</u>	

However, you will agree with me that we are not there yet; a lot still needs to be done if we are to maximize our internal revenue potential. And in so doing the State Government Contracted the Boston Consulting Group (**BCG**) to underscore our limitation to revenue generation and bring up strategies to full maximization of revenue generation.

RECURRENT EXPENDITURE

We have continued to build and maintain harmony and tranquility between Government and Labour by not only paying salaries and wages of workers as at when due but also ensuring full implemental of staff progression in terms of promotions annual increments and advancements.

Mr. Speaker, Hon. Members, recently the state government established the Plateau state Health Insurance Management Agency (**PSHISMA**) to carter for the Medical Health needs of Civil Servants and Citizens in the state. The security situation is relatively peaceful but a large part of our resources is still being spent on Peace Building Initiatives and Conflict Management. During the period under review the sum of N43,466,197,604.32 was spent as recurrent expenditure for payment of workers' wages and salaries and government running cost.

However it is worthy of mention to note that a large part of the recurrent expenditure was spent on settlement of liabilities of the state, to the tune of N9,553,177,602.33 only. This amount was directly deducted from FAAC revenue of the State.

CAPITAL EXPENDITURE

Between January and October 2019, the Sum of Eleven Billion, Seven Hundred and Thirty two Million, Eighty four Thousand, Three Hundred and Fifty Four Naira, Sixty Five Kobo N11,732,084,354.65 Only.

STATE OF THE STATE

Plateau state is christened “Home of Peace and Tourism” on the idea that everyone who is willing to work hard, is peaceful and in short ‘play by the rule’, can make it if they try no matter where they come from. Plateau state was the most hospitable and has given every citizen a fair shot, we were once a model for others to emulate.

Today, Plateau is still potentially Home to the Nation’s best. But for many years now we were bedeviled by conflicts and insecurity in which human lives and properties have been lost and we can say that the basic bargain at the heart of our People is that the Plateau Peace, Hospitality, Tourism currencies and Progress has been eroded. As if this was not enough, when we took Office in 2015, we met the state in growing debt combined with falling revenue, insecurity, rising cost of everything and unpaid workers’ salaries which threw the state into deep fiscal holes.

We took a lot of steps to re-establish fiscal responsibility with our coming to power in 2015, we launched a Rescue Agenda to reverse the situation we met, and achieved these:-

- a. We cleared all arrears of workers’ wages and salaries. Today workers are paid as at when due.
- b. We have continued with uncompleted projects and many are commissioned.
- C. Plateau State today is experiencing relative peace more than ever before within the last two decades.
- d. There is relative tranquility between the government of the state and this Honourable House of the State and Labour unlike ever before.

Therefore, due to strategic efforts of our Rescue Administration we are seeing signs that our state is on the mend out of our worst economic crisis. But we are

not out of the woods yet. Instead, we are today faced with a make-or-break moment, to either pick the courage and determination to make our greatest 'Leap' to get 'There' finally or remain bounded to chains of vicious cycles of underdevelopment. What is at stake is whether or not Plateau will be a state where people can live free and work hard in the enabling environment to earn enough to raise a family, build modest saving, own a home, educate their children, access good health care and be safe, secured and protected. This is the defining issue of our time and the rationale behind 2020 Budget.

Mr. Speaker and Honourable Members the 2020 Budget reflects our deep belief that we must rise to meet this moment – both for our state economy and for the millions of Plateau People who are working and fighting to survive, to get ahead. We built the 2020 Budget around the idea that our state has always done best when everyone in Plateau gets a fair shot, everyone does their fair share and everyone plays to the same rules, it rejects the "You are on your own" economics that have led to a widening gap brought by misconception in political party, religions, ethnic and cultural, the rich and the poor differences.

Mr. Speaker and Honourable Members we took out time to strategize and came up with the 2020 Budget to rebuild our state and strengthen it for all to get a fair share at success. So instead of lowering our standards and our sights, we planned for good jobs, through infrastructural gap reduction, mineral exploration, exploitation and exportation, Agricultural and Tourism Development that pays well, generate revenue and offer security and protection to our people. We need Plateau state in the next few years to be placed with the highest skilled, highest – Educated Worker, the most Advanced Transportation and Communication Network, and the strongest committed to peaceful co-existence, secure and protected. This will be the panacea to industrializing the state that we need no longer to be burdened by years of debt and debt clearance, arrears payment, deficit financing as a greater part of our Budget

Mr. Speaker and Honourable Members I have taken time to explain the above so that we appreciate the state of our State and that in the year ahead, We will

continue to pursue Policies, Programmes, Projects and Activities that will shore up our state and our Fiscal situation. We intend to cut deficit financing by more than 10% and debt/arrears clearance by the minimum of N5B annually respectively, thus, coming up with a realistic Budget. This is in line with recommendation to qualify for the SFTAS.
