

Strategic Integrated Development of Oyo State (SIDOS)

Otunba
(Dr) Christopher
Adepayo Alao-Akala (JP) psc
Executive Governor of Oyo State

ACTION PLAN

Setting the Pace in Good Governance

My Vision

“I take this as an opportunity in a lifetime to **MAKE A DIFFERENCE** by contributing meaningfully to the development of Oyo State and to enhance its Pace Setting Status. I would also restore the glory of Oyo State and put smiles on the faces of people through the execution of people oriented programmes in accordance with my firm belief of governing the state with the fear of God”

Otunba (Dr) Christopher Adebayo
ALAO AKALA (JP) psc
Executive Governor, Oyo State

13

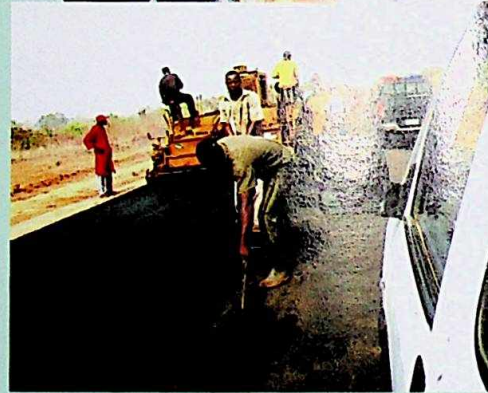

- POINT
AGENDA

Of the
Administration of
His Excellency,
Otunba (Dr) Christopher
Adebayo Alao-Akala (JP) psc

1. GOOD GOVERNANCE

Ensure good governance anchored on transparency, accountability, equity and active participation of the citizenry/inhabitants and fear of God as the guiding principle.

2. SUSTAINABLE ENVIRONMENT

Establish clean, functional and aesthetically delightful environment to live and work in.

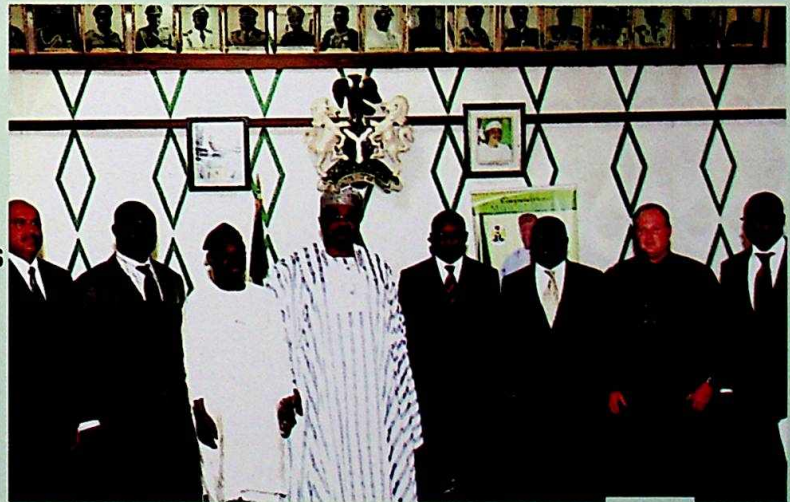

3. POVERTY ALLEVIATION

Empower the inhabitants through acquisition of vocational skills and appropriate financial supports.

4. INDUSTRIALIZATION

Create solid industrial base through attraction of core industrial investors

5. EMPLOYMENT OPPORTUNITIES

Facilitate the creation of employment opportunities for all, through provision of avenues for self empowerment.

6. INFRASTRUCTURAL REGENERATION

Regenerate the social infrastructure and public utilities such as health, education, good road networks, rural integration and transportation facilities.

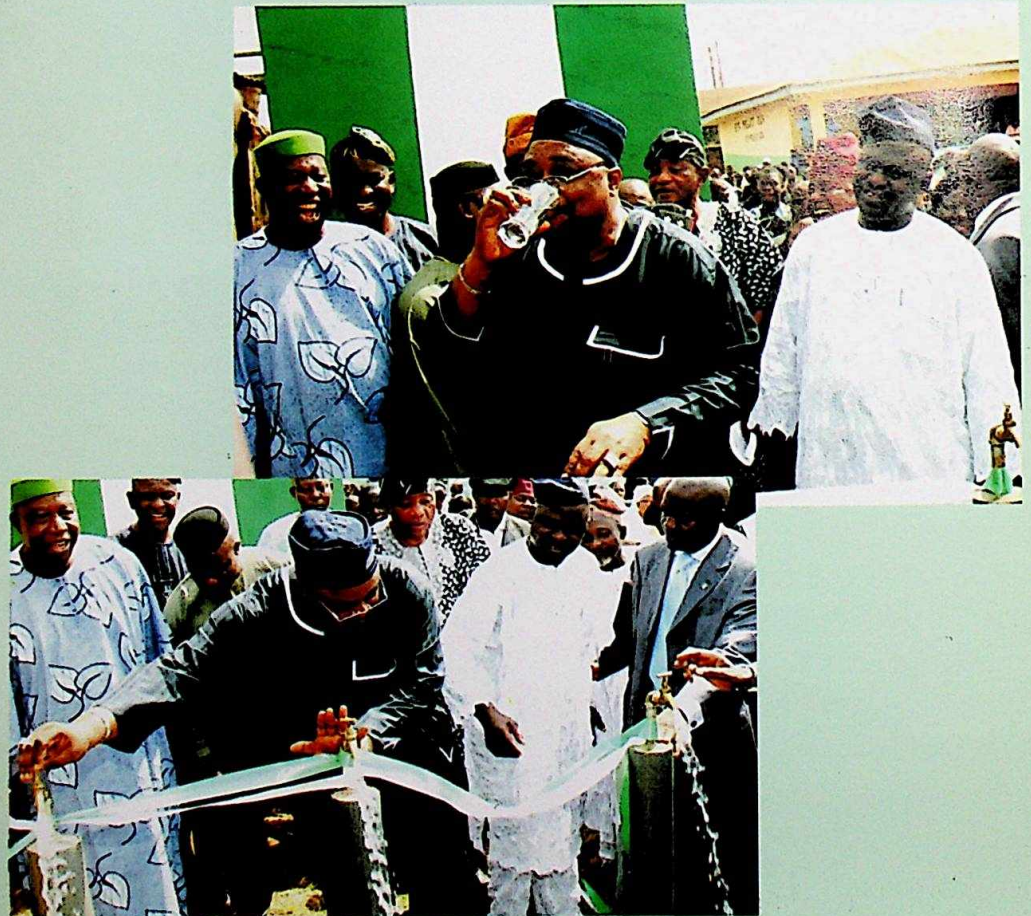

7. INTERNATIONAL TRADE

Explore the closeness of the state to some countries in the Africa region to enhance international trading activities and commerce through provision of enabling environment for International Investors.

8. WATER SUPPLY

Harness the water resources of the State for easy access to clean and potable water.

9. FOOD FOR ALL/ INTENSIVE AGRICULTURE

Intensify agricultural activities and practices to ensure adequate agricultural outputs for internal consumption and exportation, making the state a pace-setter in Agriculture.

10. PARTNERSHIP

Foster and create strong working relationship with various sectors such as the public, private and the rural communities as well as external support agencies to diversify sources of technical and financial resources of the State.

11. EDUCATION

Provide qualitative education which will also serve as a medium for provision of appropriate technology for economic, social and industrial development, while brilliant students will be encouraged and adequate assistance rendered to indigent students.

12. POWER

To generate enough power for general consumption and enhance industrial growth, thereby providing employment for citizens to engage in small, medium and large scale business concerns.

13. SECURITY

To secure life and property. Maintenance of law and order, thereby creating peaceful and business friendly environment for the state.
