

JIGAWA SERVICOM

SERVICOM=SERVICE TO HUMANITY

**PUBLIC SERVICE
IS
PUBLIC TRUST!**

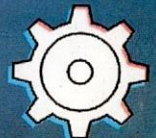

All citizens deserve quality service
...including you!

As part of measures to ensure efficient and effective service delivery to the people, Jigawa State Government has mapped out far-reaching strategies under its new social re-engineering project tagged "JIGAWA SERVICOM".

The initiative was informed by the dire need to inculcate virtues of selflessness, patriotism, and productivity in the minds of public servants.

Have a look at the litmus test below and judge your conduct:

- * As a public servant, have you ever paused to remind yourself that one day you will be held to account for all your deeds and misdeeds either here or in the here after?

* *Have you ever thought it wise to forfeit certain percentage from your salary for either going to the office late, absconding or even outright absenteeism.*

* *Do you know that as you enjoy inalienable rights as a citizen you also owe obligations to the government, people, humanity and above all the Almighty God?*

* *Do you know that by doing your work according to schedule you are only doing favour to yourself and not to other people?*

* *Do you aid or abet bribery and corruption under the guise of gratification?*

* *Have you ever connived with others to either defraud or cheat government?*

* *Do you regard government's property as nobody's property?*

Whether you answer the posers above in the affirmative or otherwise, it behoves you to reminisce over your previous conduct and rededicate yourself to your official responsibilities.

Always remember to justify your earnings by being just, honest, transparent, accountable, productive, hardworking, punctual, dedicated, responsible and God-fearing in whatever you do, especially in discharging your official duties.

**BE STEADFAST! BE COURTEOUS! BE RESPONSIBLE!
UPHOLD THE PUBLIC TRUST REPOSED IN YOU!
DISCHARGE YOUR DUTIES DILIGENTLY**

This exhortation was prepared by the Jigawa State Servicom Committee which operates under the Office of the Secretary to the Jigawa State Government.
