PRESENTATION OF THE YEAR 2022 APPROPRIATION BILL AND BUDGET PROPOSALS TO THE ZAMFARA STATE HOUSE OF ASSEMBLY BY HIS EXCELLENCY, THE EXECUTIVE GOVERNOR OF ZAMFARA STATE, HONORABLE BELLO MOHAMMED MATAWALLE, MON, (SHATTIMAN SOKOTO), ON TUESDAY, 30TH NOVEMBER 2021, AT THE STATE HOUSE OF ASSEMBLY CHAMBER, GUSAU

Mr Speaker, Honourable Members,

2. It is with great pleasure and gratitude to Allah subhanahu wata'ala that I present before this Honourable House the Appropriation Bill for the Zamfara State 2022 budget proposals for consideration and passage into law.

3. We are presenting these financial estimates at a period of heightened expectations from our people following the havoc done to the global, national, and local economies by the COVID pandemic in the year 2020 and the slow rate of recovery in the year 2021.

4. There are now glimmers of hope that the year 2022 is going to be a promising one going by the rate at which economies are rebounding, especially the significant improvement seen during the last quarter of 2021. Of significance to Nigeria and our dear State, commodity prices are picking up, including that of oil which remains the major source of our country's revenue and foreign exchange.

5. Another ray of hope is the brighter prospect of the ongoing war against banditry which has taken a huge toll on our economy over the years. While it is still early for us to declare that we have won the battle against the decade-long banditry, the stiffer measures that were taken across the northwest in the past three months to contain this hydra-headed evil have raised hope of the citizens and gave those who want to do business with our State reason to be optimistic.

6. Despite the challenge of banditry and its devastating consequences on the economy and the social well-being of our people, we have forged ahead with the task of rebuilding our State and laying a more formidable foundation for its development. To make government business more accountable, transparent, and socially inclusive, we have taken the following steps, in addition to those we had taken earlier:

We have joined the Open Government Partnership (OGP). The State Action Plan is currently being drawn, and the Steering Committee would be inaugurated immediately after the completion of the Action Plan before the end of December; We have signed the legislation to ensure social protection; We have passed the audit law to ensure prudence, probity and accountability in the public sector;

7. As part of the efforts by my administration to place our State on the path of enduring development, we are working in collaboration with the relevant stakeholders to come up with a Development Plan for the State. The plan will provide a road map for state policies and programmes and form the foundation for our budgets and other State commitments.

8. We are making a big push to fight poverty and teach our teeming unemployed youths the skills they need to live a happy and productive life, as part of our effort to develop a more robust and modern 21st-century economy. In keeping with our commitment to growing human capital as one of the major indicators of development, we have established the Human Capital Development Council. In addition, in the coming days, I will inaugurate the Social Protection Council, whose mission is to use the transformative process to alleviate poverty and unemployment and ensure that every person of the State has the resources necessary to live a happy and decent life.

9. The year 2022 financial estimates have been carefully prepared against the foregoing background. Despite the ray of hope based on the improved economic climate in the third quarter of 2021, we are, however, cautiously optimistic.

REVIEW OF 2021 BUDGET

10. Mr Speaker, Honourable Members, you may recall that the 2021 Budget I presented before you had a total outlay of N142,779,251,000, made up of N74,491,751,000 and N68,287,500,000, as recurrent and capital revenues, respectively. Therefore, based on this outlay, a corresponding recurrent expenditure formation of N63,112,251,000 and capital expenditure formation of N79,667,000,000 was made for the year.

11. As a result of the local economic trends, occasioned by insecurity, and the shortfalls in the revenue accruals, the original budget was reviewed downward to N117,575,400,000, with N70,896,000,000 as recurrent revenue and N46,679,400,000 as capital revenue. Consequently, the corresponding outlays for recurrent and capital stood at N64,000,400,000 and N53,575,000,000, respectively, for the period under review. This we did in order to dance in tune with reality.

12. By the end of September 2021, the sum of N57,164,520,708, representing 77% of the total projected recurrent revenues, accrued to the State, while the sum of N18,464,039,773, representing 27% of the total projected capital revenue, also accrued to the State.

13. On the part of expenditure, the sum of N54,198,193,942, representing 86% of the approved recurrent expenditure, was expended, while the expenditure to the tune of N12,524,121,524, representing 16% of the approved capital expenditure, was carried out.

14. Generally, the performance of the 2021 budget at the end of September, in terms of total revenue and total expenditure, is N75,628,560,481, representing 53%, and N66,722,315,466, representing 47%, respectively.

SOME OF THE ACHIEVEMENTS RECORDED DURING THE YEAR UNDER REVIEW

15. Mr Speaker, Hon. Members, distinguished ladies and gentlemen, it is pertinent, at this point, to mention some of the achievements we recorded during the implementation of the year 2021 approved budget.

EDUCATION

16. Mr Speaker, we must recognise the transformative potential of education in our State. Education is one of the key drivers of development. No meaningful development can be achieved without a commensurate commitment to education.

17. Even with the security challenges confronting our State long before my assumption of office, we have not relented in our commitment to this critical sector. Unfortunately, during the year under review, the education sector suffered setbacks with the compulsory closure of schools because of attacks and threats of attacks by bandits and abductions of students.

18. Mr Speaker, Honourable Members, against all odds, in the year 2021, we were able to execute a number of projects in the form of teachers' lodges in some selected schools across the three senatorial zones in the State. The schools that benefitted from the projects include Mu'alledi Secondary School Maradun, Government Day Secondary School Yandoto, Government Day Secondary School Shinkafi and Government Day Secondary School Damba. The construction works is to the tune of N188,125,241.01.

19. Similarly, we have undertaken the renovation and rehabilitation, and the supply of furniture at Government Science Secondary School Shinkafi at the cost of N911,790,250. In our persistent effort to settle the backlog of WAEC, NECO, and other examination bodies which were not paid by the past administration, we have released the sum of N170,000,000 to both WAEC and NECO to facilitate the writing of the 2021 school leaving examinations by our students in the year under review. We hope to settle all outstanding payments very soon, Insha Allah.

20. On the issue of scholarship, under the current fiscal year, my administration has approved the release of N186,699,600 as full payment for 67 medical and para-medical students currently in their second year of studies in Sudan. There is also the payment of N24,500,000 for 23 students in India and N56,463,440 92 students studying in Cyprus, in addition to 19 students studying online in

China institutions. We have again released N41,200,000 as part payment of the backlog of debt we inherited, which is owed to Al-Hikmat University Ilorin and Crescent University Abeokuta, respectively.

21. Based on our realisation of the pivotal role of early childhood education as the foundation of all learning endeavours, we have maintained our modest effort of giving full support to the Universal Basic Education in the State. Accordingly, my administration has released N1.5 billion naira counterpart funds to UBE, which made it possible for the board to draw matching grants and execute various projects under the fiscal year. Some of the projects executed include 966 classrooms across the 14 Local Government Areas, 54 classrooms of a storey building, 1 Administrative Block and Library, and 11 well-furnished blocks of ICT centres.

22. Other works carried out are the construction of offices for Education Secretaries and 1 Block of 200 Capacity Students' Hostel, Perimeter Wall Fence in 31 Schools, and 95 Cells of 32 Blocks of VIP Latrine. Similarly, 520 classrooms were renovated, and 33,246 seats were provided. Moreover, 1,372 Teachers' Tables and Chairs were supplied.

HEALTH

23. Mr Speaker, Honourable Members, we all know that no meaningful development could be achieved without adequate provision of primary, secondary, and tertiary healthcare facilities. Based on this, therefore, during the 2021 fiscal year, my administration executed a number of projects under the health sector. We completed the construction of 147 primary healthcare centres across the State at the total cost of N2,239,785,198 and procured 200 rickshaw ambulances at the total cost of N327,598,000.00. We have also reconstructed General Hospital Talata Mafara and completed the General Hospital Birnin Magaji.

ADMINISTRATION

24. It is worthy to note that after 25 years of the creation of Zamfara State, the Government is still battling with the problems of office and residential accommodations. Many government MDAs and some Government officials are still accommodated in rented houses. Some of the existing Government offices and residential accommodations are not befitting and conducive for work. My administration, therefore, embarked on rehabilitation and upgrade of government structures.

25. In this regard, the existing Government House was renovated and upgraded with the provision of new 18 executive chalets at the cost of N2, 182,999,836.12 as well as other befitting structures to aid governance in the State. The State House of Assembly has been renovated and upgraded at the cost of N1,403,011,985.89. The J. B. Yakubu Secretariat Conference Hall, now renamed Dr

Garba Nadama Conference Hall, was upgraded to the status of an ultra-modern conference hall of international standard, at the total cost of N378,173,592.19.

26. In spite of our economic and security challenges in the year under review, this administration has been able to execute a number of development projects across the State. While most of these projects were executed by the State Government, some are carried through collaborations with local governments and counter funding from some donor agencies. Some of the projects are:

This administration renovated and upgraded our liaison offices at Abuja and Kaduna at the total cost of N2,133,712,122.85 and constructed a Presidential lodge at the cost of N1,025,430,162.05;

During the year under review, we completed 12 township roads in Gusau, the state capital and the other eight are at various levels of completion; The construction of the Deputy Governor's office is ongoing at the cost of N184, 826,850.40; Construction of Gusau International Airport, which was awarded at the cost of 11.5 Billion. The project is ongoing; We have equally expended the sum of 1.8 Billion for conversion of Diesel Powered Street Light to Solar three-in-one; Purchase of 14 Toyota Land Cruiser jeeps for Grand Kadi, Chief Judge, High Court Judges and Kadis of Shari'a Court of Appeal. We have also procured and distributed 200 Hyundai cars to judiciary staff; Supply and installation of FM Radio equipment at the total cost of N170,233,350.00;

Construction of new studios and supply of new equipment for television, AM and FM radio at the cost of N957,131,641.00;

Supply of various digital printing equipment to Zamfara Newspaper Company and the State Ministry of Information headquarters at the cost of N253,852,650.00.

POLICY THRUST FOR THE 2022 FISCAL YEAR

All the current policy objectives will continue to be enforced in 2022; emphasis will be given to cost efficiency and effectiveness in running Government as well as in the provision of required projects and programs.

Government intends to partner as well as seek support from donors in coming up with a revised Road Map of Developing the State;

Government intends to forge a partnership with donor partners in pushing developments in investment, education, and health.

Government will give emphasis to the completion of all new and ongoing projects by the end of this tenure.

HIGHLIGHTS OF THE PROPOSED 2022 BUDGET

27. Mr Speaker, Honourable Members, the 2022 fiscal year is expected to come with multiple realistic fiscal grants and other resources that will support our budget estimates. Therefore, the 2022 proposed budget is made to be higher than that of the revised

2021 by 36% to address the huge socio-economic problems facing the State, such as insecurity, poverty, unemployment, and the desired capital projects.

28. The proposed 2022 budget is estimated at N160,248,511,000 based on the projected revenues of N80,181,655,000 for recurrent and N80,066,856,000 capital. The estimate was also formed into corresponding recurrent and capital expenditures of N63,165,511,000 and N97,083,000,000 respectively.
